

WANDERFUL

BACK FROM YOUR TRIP? MEET YOUR NEW SOUL SISTERS.

Wanderful is an international community that connects women travelers, locals, and expats with each other both virtually and face-to-face.

YOU DON'T NEED TO BE TRAVELING THE WORLD TO BE LIVING A GLOBAL LIFE.

Host other women from around the world in your home (and make money at the same time) through our [global homesharing network](#).

[Attend a chapter event](#) in a city near you to meet other travel-loving women (or start your own chapter if there isn't one near you yet).

Join us at our [annual global retreat, Wanderfest](#) -- the girls' getaway weekend you deserve with 100 other travel-loving women.
